

David K Testimony

Anytime we look for a ministry to become involved with we look for favorable involvement from the recipients of our actions. With Winning Pakistan I am personally so encouraged. Scripture itself has me on my chosen path. Let's read Isaiah (a Yashayahu 32:15-16): "Until the Ruach is poured upon us from on high, and the wilderness shall become garden-land, and the garden-land be reckoned as a forest. Then right-ruling shall dwell in the wilderness and righteousness remain in the garden land. Also Ezekiel (Yekezqal) 34:25-31: "And I shall make a covenant of peace with them, and make evil beasts cease from the land. And they shall dwell safely in the wilderness and sleep in the forest. And I shall make them and the places all around my hill a blessing, and shall cause showers to come down in their season - showers of blessings they are. And the trees of the field shall yield their fruit and the earth shall her increase, and they shall be safe in their land. And they shall know that I am Yahuah, when I have broken the bars of their yoke. And I shall deliver them from the hand of those who enslaved them, and they shall no longer be a prey for the nations, and the beast of the earth shall not devour them. And they shall dwell safely, with no one to make them afraid. And I shall raise up for them a planting place of name, and they shall no longer be consumed by hunger in the land, nor bear the shame of the nations any more. And they shall know that I, Yahuah their Alahim, am with them, and that they, the house of Yisharal, are My people, declares the Master Yahuah, And you, My flock, the flock of My pasture, are men, and I am your Alahim," declares the Master Yahuah." For myself, its time to live as if this scripture is in the beginning stages of fulfillment. The ministry Winning Pakistan with its many true worshipers of Yahuah are reaching out with so much energy to begin fulfilling some of these very promises. The vision shared with sister Jennifer Marry and her family are seeing exactly as I also see that this is a time to begin working toward these very goals. The beautiful hearts these people in Pakistan share is something to strive for throughout the entire world. We supply a little and they fulfill more than we could ever expect anyone to complete. Working with them is such a true pleasure. Here in the USA the same type of vision is beginning, to see it spread lifts my very being. I'm so proud to be working with only a few so far and pray to expand this lifestyle shared for us in scripture. Although I've worked with only a small number of individuals from Pakistan, I'm so encouraged by the fine reports of labor expended with the land and sewing machines supplied. Their selfless attitude of giving has me returning often to this Yahuah blessed ministry of Winning Pakistan.
