

Growing Up Into Yahusha #9

In a previous lesson we learned what faith is. We learned that a better word for faith is trust. We also learned that we begin to trust Yahuah by reading His word, praying to Him and trusting Him with our life.

Are you interested in growing spiritually? You don't grow by focusing on growth. Do you sometimes wonder whether you are growing at all? There's one sure way to tell. Look at whether you are eating? Isn't the way to grow spiritually to partake of the Bread of Life?

The life that is controlled by Yahuah is a life of Highest Usefulness and Service. 'I can do ALL things through Yahusha who strengthens me.'
